

Skills for Success in Graduate School

FOR STUDENTS WITH A LEARNING DIFFERENCE

This skill-building group was created to help graduate students with learning differences meet their academic and creative potential.

By the end of our 5 weeks together, we hope that you can better understand how to achieve academic success using a holistic approach that includes the topics below. Meetings will be held online via Zoom.

Meeting
Every Thursday
from
3:30-5:00pm PT

February 25th
March 4th
March 11th
March 18th
March 25th

TOPICS:

Online Learning Strategies

Communication Skills

Time Management

Studying Skills

Stress Management

Campus Resources

This group will be limited in size so a screener will be required.
Please contact sforry@usc.edu if you are interested.
