## **About the Symposium:**

The Annual Graduate Research Symposium showcases research produced by USC graduate students from all disciplines, across both the UPC and HSC campuses. Participating students have an opportunity to share their work with an interdisciplinary audience and to connect with colleagues from across the university. The best presentations will be selected by a panel of esteemed USC faculty, and will receive a generous award.

## **Abstract Submission Guidelines:**

1. Submit your abstract via form: <https://forms.gle/My5QzhapU9EcJmox8> by 5:00pm on Friday, February 4th
2. Abstracts should be no more than 300 words, on a topic suitable for a short ( ~8 min) presentation

## **Timeline at a Glance:**

Start of Submissions: December 13th

Deadline for Submissions: February 4th

Acceptances: notified in Early February

Event Date (Tentative): March 5th 2020
